Dear Mr. Sullivan:

Your authorization is respectfully requested for the following transfer within the Hospital Department:

From:	Code F-16	Community Medicine Support	\$14,000.00
To:	Code F-2	Ambulance	\$14,000.00

This request is being made to provide sufficient funds to pay for ambulance services rendered by the Professional Ambulance and Oxygen Service, Inc. to Cambridge Hospital patients.

The reason for this request is to cover the change in the contractual agreement between the City and the Professional Ambulance and Oxygen Service, Inc., due to the higher than anticipated number of trips to the Westboro State Hospital.

The funds in Code F-16, Community Medicine Support, were allocated for neighborhood health service personnel. Personnel have been hired through the personnel codes (A Schedule). Therefore, these funds are available for transfer out of Code F-16.

Thank you.

Sincerely yours,

Leslie N. H. MacLeod  
Director
