WHEREAS: The World Health Organization, the United Nations Educational, Scientific and Cultural Organization (UNESCO) and the International Olympic Committee (IOC) recognizes tobacco as the leading cause of preventable deaths and has proclaimed May 31, 1996 as the Ninth Annual World No Tobacco Day; and

WHEREAS: **World No Tobacco Day 1996** is dedicated to the theme "Sports and the Arts without Tobacco" in an effort to promote health and fitness for all in contrast to the promotion of additive and hazardous products resulting from tobacco sponsorship of sporting and cultural events; and

WHEREAS: The City of Cambridge has long recognized the hazards of tobacco use by divesting the City's portfolios of tobacco stock, declaring smoking in public places to be hazardous to the public health, and passing laws designed to discourage youth from smoking and cultural events; and

WHEREAS: Youth in Cambridge and elsewhere look to sports figures as role-models and are susceptible to messages given by the promotion of sporting and cultural events by the tobacco industry; now therefore be it

RESOLVED: That the City Council hereby endorses the initiative of the World Health Organization in calling attention to the importance of preventing tobacco use by dedicating World No Tobacco Day to the theme of "Sports and the Arts without Tobacco;" and be it further

RESOLVED: That the Cambridge City Council recognizes the importance of athletes and artists as role models in promoting a healthy lifestyle for young people; and

RESOLVED: That the City Council urges Cambridge citizens to reflect on the health hazards caused by tobacco and to strive for a society free of tobacco where smoking is not the social norm.
