

TO THE HONORABLE CITY COUNCIL OF CAMBRIDGE

We the undersigned residents of the East Cambridge area are fed-up with our streets being used as a raceway for reckless drivers with no consideration for pedestrians, children and property in this area.

We have complained to the Cambridge Police and Registry and have got very little results. We Feel this is not enough. At this time we must INSIST that the City of Cambridge erect SPEED LIMIT signs or FLASHING LIGHTS on side streets in this area We must also insist that the speed laws be more enforced in this area. This should stop the very dangerous condition in this area

250 Sign Petitions

Against Hot Rodders

The East Cambridge Committee for Safe Streets will present petitions signed by more than 250 residents to the City Council and the Registry of Motor Vehicles, demanding rigid enforcement of traffic laws.

Mrs. Alice Jepson, 28, of 159 Charles st., mother of five children and chairman of the ECCSS, reports that the Charles to Hurley sts. area embracing Fourth, Fifth and Sixth sts. is terrorized night and day by hot rod drivers with an absolute disregard for children, pedestrians and residents.

Repeated complaints to Cambridge police and the Registry of Motor Vehicles of the dangerous conditions, have resulted in pleas of helplessness by both organizations, because their officers did not view the offenses, she said.

Mrs. Jepson reports that she with three of her children, and an 18-year-old nephew were nearly run down in broad daylight last Saturday when crossing Fifth st. at Charles st.; a hot rod narrowly missed the group.

"We could all have been killed," said Mrs. Jepson.

"The driver of the two-tone brown car, returned to the area later the same day. I tried to get close enough to get his registration, but when he saw me approaching, he took off with screeching tires."

Mrs. Jepson declared, "We will present the petition for additional police protection and enforcement of traffic laws at the next meeting of the City Council tomorrow.

"If the City Council does not take proper action to give us the protection we are entitled to, we will look to some self protective measure such as erecting barriers or lining up barrels in the street.

"It is certainly not unreasonable for us to protect our own lives and those of our children. If the police or the Registry cannot protect us, we will be driven to some such self defensive measure as barrier building."

Escorting Mrs. Jepson in her presentation of the petition will be a committee including: Mrs. Josephine Vendetti, Mrs. Alice Giorgio, and Mrs. Helen Botelho, all of Charles st., and Frank Jepson, husband of the chairman.
