Dear members:

The vestry of St. Peter's Episcopal Church wishes to request additional lighting for Sellers Street in Cambridge.

As St. Peter's is a community church there are both children and adults using the church facilities in the evening hours. Since the church is used so much after dark, we feel improved lighting is necessary for the safety of those using the Sellers Street entrances and exits.

Your consideration and action upon this request will be appreciated.

Yours truly,

(Mrs) Susan Halliday
