City Manager

To the Honorable, the City Council:

You are invited and urged to attend a meeting of the City Manager's Cable Advisory Committee which has been scheduled for Thursday, April 12, 1984, at 7:00 P.M. at the City Council Chambers.

Jean Rice and members of her consulting team will discuss the State Form 100, which under Massachusetts law constitutes the initial application, the analysis of those applications and the State process.

As you are aware, the City of Cambridge has just about four weeks to go until the initial applications are due at City Hall on April 18. An understanding of the initial application is important as it will allow us an early glimpse of a cable television system for the city, its design, structure, rates and services.

Very truly yours,

Robert W. Healy
City Manager
