Gentlemen:

This is a long overdue letter. Until a few days ago, I did not know who to turn to, but after talking to a few people, I was told I could register a complaint with the City of Cambridge and possibly get some results.

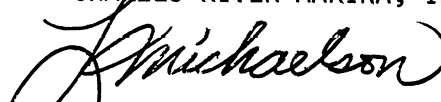

My problem concerns a fence which has been put up by 808 Memorial Drive & Associates. There is no need for this fence, as it serves no useful purpose. This fence is a spite fence. It is a fence designed and erected to hide my facilities and obstruct a reasonable view of my property. The fence is over the legal limits, and it has created hazardous factors; therefore I request the help of the City of Cambridge in taking the fence down.

I can be reached at the above address everyday from 9:00 A.M. to 5:00 P.M.

Your immediate attention in this matter would be greatly appreciated.

Very truly yours,

CHARLES RIVER MARINA, INC.
