

Communication from
Mr. A. A. Yeaton.

July 18. 1890,

To the Committee on Roads and Bridges-

The removal of tree front of
rick house No 90 Thorncliffe
St. is desired for the reason-
that it is unsound, the
trunk is hollow, also the
leaves fill up the gutter and
the outlet to the conductor
which is on said premises thus
throwing the water on to the
sidewalk into the cellar and
causing a dampness of which
my tenant complains-

Respectfully-

A. A. Yeaton-

E. Cambridge July 18. 1890-

Cambridge, Sept 8th 1890

To the Honorable, the Mayor, and Aldermen,
of the City of Cambridge.

The undersigned respectfully ~~may~~ protest against the removal of the Elm tree opposite the house N^o. 90, Thorndike St. East Cambridge for the following reasons; that said Elm tree is well preserved & in a healthy condition; that it is of large growth & with many others of the same age beautifies & shades said Thorndike St. making it one of the most desirable localities to reside in East Cambridge; that the owners & occupants of houses on said Street deem it a sacrilege to remove said tree; that to the best of our belief it is not the desire of the owner of house N^o. 90 on said Street to have said tree removed, only to satisfy the whim of the tenant that occupies said house they not living there but a short time -

Harriet W. Sanborn owner of house 92 Thorndike St.
