SUBJECT: Council Order #22, dated February 1, 1993

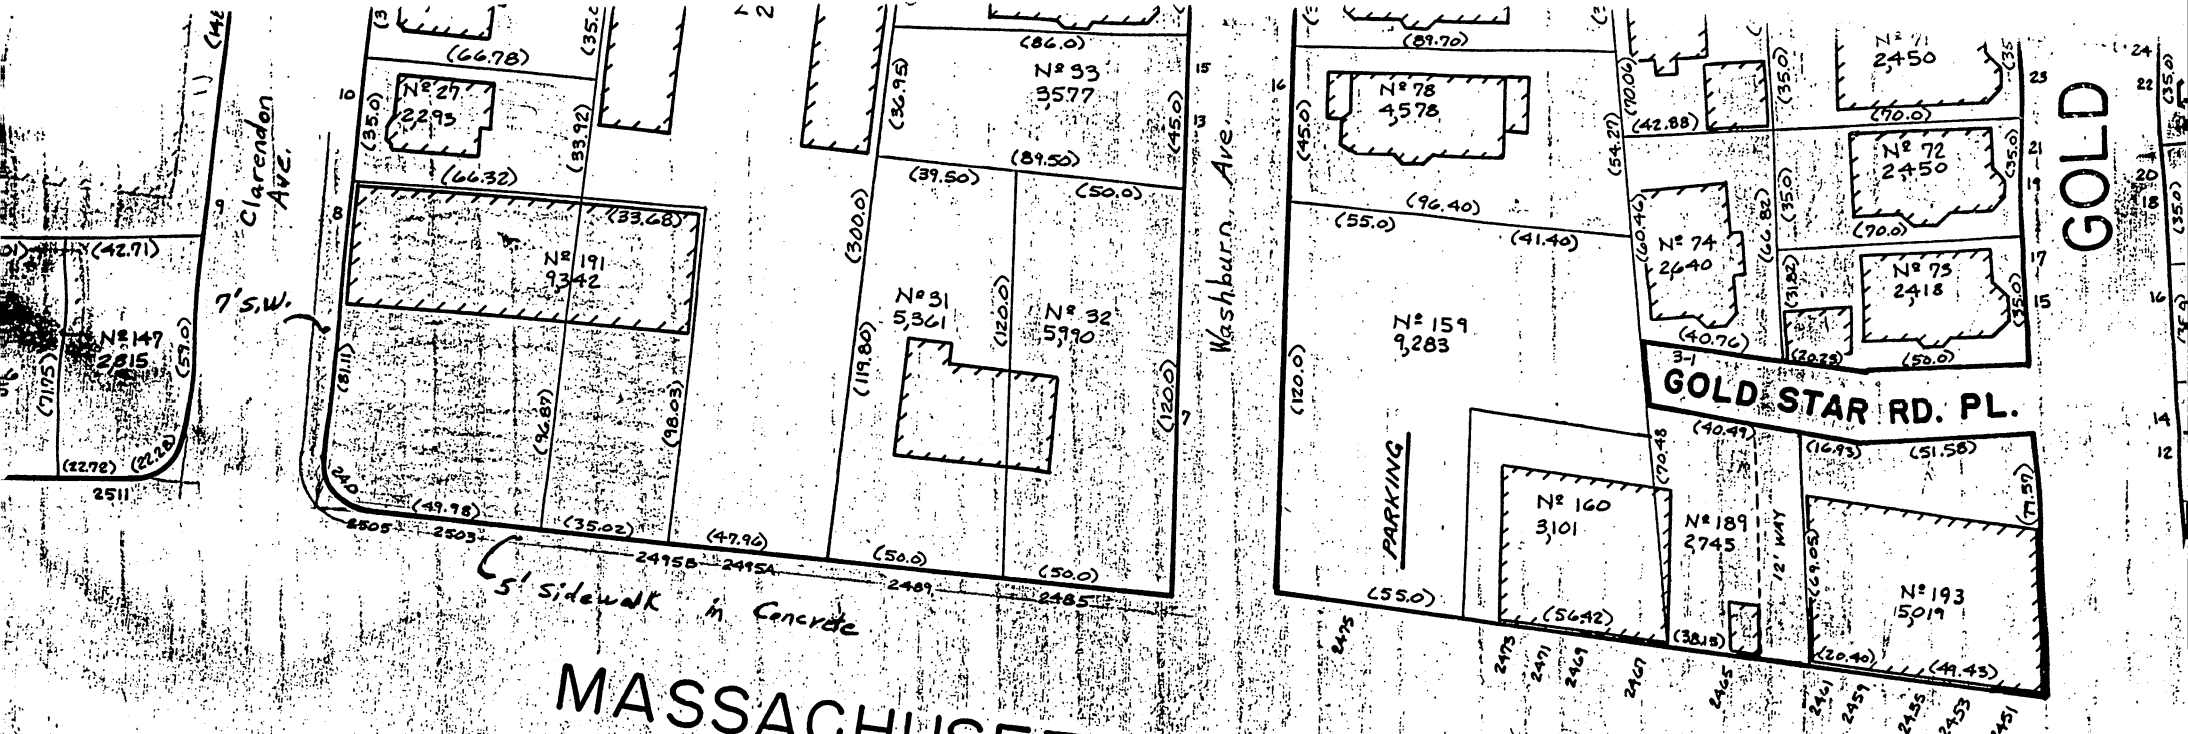

RE: Information & map showing how much of the sidewalk
abutting Midas Muffler is City-owned

The width of the sidewalk along Massachusetts Avenue between Clarendon Avenue and Washburn Avenue is 5 feet from the face of the curb to the back of the concrete sidewalk. The area between the planter and the concrete sidewalk is owned by Midas Muffler.

Enclosed is a copy of the Assessor's plan with the sidewalk highlighted in yellow, pictures of the corner of Clarendon Avenue and Massachusetts Avenue, and a copy of the street layout of Clarendon Avenue and Massachusetts Avenue. Measurements taken in the field verify the recorded width of Massachusetts Avenue at Clarendon Avenue and the recorded lengths of Midas Muffler's property lines along the City right of way.

Research was done by Mr. Robert K. Patterson, Senior Construction Engineer.
