Mr. Paul E. Healy
Temporary City Clerk
City of Cambridge
City Hall
Cambridge, Massachusetts 02139

Dear Mr. Healy:

Would you convey to the members of the City Council my thanks for their courtesy in inviting me to attend a council session at which the future of NASA is discussed.

If you will be kind enough to alert me as to the exact date of the meeting, I shall surely endeavor to adjust my Washington schedule so that I can be present.

In the meantime, I want to assure the members of the Council that I stand ready, willing and anxious to help them and the City Manager on any and all phases of this problem.

Sincerely yours,
