

Office of the City Electrician

CAMBRIDGE, MASSACHUSETTS

TIMOTHY C. O'HEARN
CITY ELECTRICIAN

January 25, 1939

The Honorable City Council
of City of Cambridge
City Hall
Cambridge, Mass

Gentlemen:

I have your order requesting a report of the
"repairs on police signal box no. 11 on Boylston Street
near Harvard Square". The box at this point is numbered
14 and the number in the order is evidently^a/typographical
error. The records in our office show that there have been
no reports of trouble from the police on this box since
December 3, 1938 and a test made on Monday, January 23, discloses
that the box was working properly and in as good a condition
as can be expected.

Yours very respectfully,

Timothy C. O'Hearn
