I am writing this letter as a representative of the Huron Village Business Association (HUBA). I have owned and operated Easy Chairs Antiques at 375 Huron Avenue since 1980.

As a business owner and a father of a 12 year old son, I am quite disturbed by the automobile accident this past Tuesday morning that seriously injured a 12 year old area resident. He was crossing Huron Avenue at the crosswalk between Huron Drug and the Cambridge Trust Company.

We need a light, a crossing guard, some additional visual signal for people to stop. The lines on the street are not sufficient and are not working !

I want this issue to be discussed at the next Cambridge City Council meeting on Monday, October 26. It is important to me and to the entire Huron Village neighborhood.

Sincerely,

A handwritten signature in cursive script that reads "Lee H. Joseph".
