ATTENTION

Are your children really safe?

Neighbors of Cambridge and Columbia streets are concerned with the fact that there are no signs posted to indicate there are children in the neighborhood. I now ask for your signature as a show of support for the following proposals. First I propose that **GO SLOW CHILDREN** signs are to be posted for at least a three block radius. We also propose that speed limits should be lowered and the signal lights at this spot should be reevaluated for safety. This is a small price to pay for our childrens safety. Please we do not want a repeat of the tuesday (6-20-95) fatality and numerous similar situations.
