To The Honorable, The City Council:

In response to Awaiting Report Item No. 5, regarding repair problems at the Frisoli Youth Center, Public Works Commissioner Ralph Dunphy reports the following:

Work at the playground located at the Frisoli Youth Center were delayed due to the temperature requirements of the adhesive that is used to secure the rubber play surface. The contractor took the opportunity during recent fair weather conditions to complete all needed repairs. At a site inspection conducted on December 18, 1997, all swings were in excellent working condition.

Very truly yours,

Robert W. Healy
City Manager
