
THE TRAGIC ACCIDENT LAST WEEK at the Sherman St. RR crossing of the B&M Railroad demonstrated the real danger faced by our youngsters who in coming & going to Fresh Pond Shopping Center take the ' short cut ' across the RR tracks.

BY NEXT WINTER there will be an MDC Skating Rink completed. This will cause an increase in the number of children going to & from Fresh Pond Shopping Center.

When CAMBRIDGE CITY COUNCIL & THE CITY MANAGER decided to locate the MDC Skating Rink on New Street, they promised to build a pedestrian overpass over the B&M tracks- so North Cambridge children could travel to Fresh Pond safely.

The CAMBRIDGE CITY PLANNING DEPT. has developed plans to locate this overpass @ WASSERMAN'S TOWERS.

Altho MR. WASSERMAN once promised to build an overpass there, he is not paying for any of the costs of the current proposal, even tho his property would be a major beneficiary.

WE THINK the RESIDENTS OF JEFFERSON PARK deserve an equal break: there are more children living here who will be travelling to & from Fresh Pond.

WE THINK the overpass should be planned so there is access to it from the rear of JEFFERSON PARK - otherwise our children will continue to take the fatal " short cut " across the B&M tracks on foot.

- * PLAN TO COME TO CAMBRIDGE CITY COUNCIL TONITE @ 7 P.M.
- * ASK CAMBRIDGE CITY COUNCIL TO SUPPORT US:
- * INSIST THE CITY PLANNING DEPT. PROPOSAL FOR AN OVERPASS MAKE ARRANGEMENT FOR ACCESS TO THE REAR OF JEFFERSON PARK...
- * MEET THE CDA, INC. CAR POOL @ 6:30 P.M. @ DOOR 41

The first thing I noticed
 when I stepped out of the
 plane was the fresh air.
 It felt like a breath of
 new life. The sun was
 shining brightly, and the
 birds were chirping.
 I had never felt so
 happy before.

The second thing I noticed
 was the smell of the
 earth. It was a rich,
 earthy scent that I
 had never smelled before.
 It was a smell that
 made me feel like I
 had found a new home.
 I had never felt so
 at peace before.
