

RECEIVED BY
OFFICE OF CITY CLERK June 1992

1992 JUN 16 AM 8:53

CAMBRIDGE MA.

Cambridge City Council
City Hall
Cambridge
Massachusetts

Enclosed are signatures from residents living in the
Donnelly Field area and surrounding streets.

We respectfully request that the City of Cambridge take
immediate action in implementing an improvement plan to
bring an end to the dust and dirt which blow into our
homes, covering our automobiles, and most importantly, is
causing serious health problems.

We also wish to point out the fact that this is a pervasive
problem which affects the large student body and staff of
the Harrington School.

We feel that we are entitled to the same improvements
made at other playgrounds in other areas of the City.

Therefore, we are appealing to you, the City Council, to
direct your efforts to the appropriate departments re-
sponsible for such improvements.

All we ask is a reasonable response from the City to
alleviate a most unpleasant condition.

Thank you.

June 1992

PETITION

We, the residents of the Donnelly Field neighborhood and surrounding areas, do hereby request from the City of Cambridge a permanent solution to the problem of dust and dirt invading our homes, primarily during the summer months, causing unpleasant living conditions and serious health problems.

We respectfully request that immediate action be taken to improve this harmful condition. The Donnelly Field neighborhood is entitled to the same improvements made to other playgrounds in other areas of the City.
