To the Honorable, the City Council:

With respect to Awaiting Report Item No. 1 relative to a communication from Peter E. Lombardi regarding a parking ticket he received on December 11, 1983 on Albany Street, please be advised that an investigation was conducted in regard to this complaint. It was found that both sides of the street were well posted as parking in this area would inhibit the Fire apparatus in responding to calls in such an industrial area. Tagging in this area is in no way done in a discriminatory manner.

Very truly yours,

Robert W. Healy
City Manager
