Dear Neighborhood Representative:

Enclosed herewith you will find the petition of Charles Stark Draper
Laboratory, Inc., requesting a driveway at the premises numbered
1 Hampshire Street.

The City Council has directed that all driveway petitions be submitted to the appropriate Neighborhood Associations where said curb cut would be made for their approval, prior to action by the City Council. Please indicate by return mail your approval or disapproval of said petition within ten days from the receipt of this letter. I have enclosed a self-addressed stamped envelope to facilitate your reply.

Your kind cooperation in this matter will be greatly appreciated by the members of the City Council.

Very truly yours,

Paul E. Healy
Paul E. Healy, City Clerk.

Name of Neighborhood Association: Wellington-Harrington Citizens Committee

We
☒ hereby X approve _____ disapprove said driveway petition.

Reasons: The Wellington-Harrington Citizens Committee has been
supportive of Draper Laboratory's new development proposal, which
creates jobs and tax revenue for Cambridge and which has been a key
part of the process by which the former Woven Hose properties are
now under renovation, instead of being vacant and boarded up.
Thank you for your referral on this matter.
