Dear Sir: Cambridge - \$3889.54

This year the Middlesex County Dog Fund is returning a record \$161,766.45 to the various cities and towns of our County. This sum is made possible only through the efforts of both you and your office staff. Congratulations, and please accept our thanks for a job well done.

The 1974 dog tags and books are now in the process of being assembled. We are planning delivery to your office by March 15.

With kindest personal regards, I remain

Very truly yours,
