To The Honorable, The City Council:

Attached please find for your review a transfer from the School Budget Salary and Wages Account \$236,723.00 to the School Budget Other Ordinary Maintenance Account \$236,723. The amount is part of an overall amount allocated by the School Committee with the School Department Budget for materials and services for elementary health programs, student support services including dropout prevention activities, student tuition, plant operation and maintenance of school buildings and the like. This is no impact on the adopted appropriation of \$71.5 million.

Very truly yours,
