re: Council Order #8

Dear Mr. Healy:

In response to this Council Order I discussed the maintenance of the air vents in the Miller River Apartments and other CHA buildings with Mr. Wuenschel on 26 May 1989. At that time a program of cleaning air vents in the common hallways had already been started. The air vent cleaning program was expected to be completed by the end of July. I'm informed today by Mr. Wuenschel that the program has been completed.

Yours sincerely,

Melvin H. Chalfen, M.D.
