In Board of Aldermen,

Standing
The Committee on Roads and Bridges

~~to which~~ ^{was} ~~referred the petition~~ instructed to inspect the condition of Bridge and Cambridge Streets in Ward Three, and report whether or not the whole or any portion thereof needs repaving.

Reports,

Recommending That

Your committee has inspected the condition of the before mentioned streets, and is of the opinion that a considerable portion thereof needs repaving. The amount appropriated for repairs upon streets is not sufficiently large to warrant the undertaking of the work at present, but Your committee hopes that before the close of the year, means may be found with which to put these streets in proper repair.
