To the Honorable, the City Council:

In response to City Council Order No. 23 of March 9, 1987, the Public Works Department initiated a systematic city-wide Spring cleaning of all parks and tot lots in mid-March. This effort will continue during the month of April. In response to City Council Order No. 15 of March 30, 1987, the park at Broadway and Ellery Street was cleaned as of April 3 and there are two signs posted to remind residents of the animal ordinances.

Very truly yours,

Robert W. Healy
City Manager
