Mayor Alfred E. Vellucci
City Hall
795 Mass. Ave.
Cambridge, Ma.

Dear Mayor Vellucci:

There are two (2) decaying trees in front of my house which have caused me great hardship for over 3 years. The roots of these now dying trees have entered my sewer and water lines, dislocated the curbing and severely damaged the sidewalk. As a result, my cellar is constantly being flooded after a heavy rainfall. In addition, I have had to have my sewers cleaned with little result and at great expense.

In light of the damage these trees have caused and the fact that both are badly diseased, I would like to request that they kindly be removed so that I may restore normal sewer and water services to my house once again.

Sincerely,

A handwritten signature in cursive script that reads "Catherine Lamantea". The signature is fluid and elegant, with a long, sweeping tail on the final letter.
