

WGF

8 February 1970

Dear Mr. Healy:

Please express our sincere thanks to the City Council for the copy of the resolution passed at their meeting in December, shortly after my father's death. Mother and I appreciate very much both the tribute paid to him and the thoughtfulness of the Council in having a copy made for us. I know my father

would have been pleased by
their action.

Sincerely yours,

Maryrie F. Gutheim
