

Petition
of Mrs. C. J. Davis
Dec. 14. 1870.

Will the Authorities
of Cambridge please
take notice of
Mason St which
is disgraceful in
its condition. There
are no stepping stones
and as there is a
public school on the
street it is very hard
for the children to
be so exposed to
mud & slush - Would
it not be better to
have the streets
in order first, before

the ordering
process comes with
the immense
taxes we have to
pay now -

Respectly
Wm. Chas. Bowen

Mason St.

L. B. of Greenwood. Dec. 14. 1870.
Referred to the Committee on
Roads and Bridges on the part
of this Board.

Attest. Justin A. Jacobs.
City Clerk

City of Cambridge
In Board of Aldermen

Dec 28th. 1870

The Standing Committee on Roads & Bridges
to whom was referred the communication
of (Mrs. Charles J. Bowen) calling the attention
of this Board to the condition of Mason Street
would respectfully
Report

That they have
visited the locality & find the street in as good
condition as it can well be made until edge-
stones are set & the gutters paved to better
facilitate the flow of water from this comparatively
level street. As it is impracticable to undertake
this improvement the present season your
Committee recommend the reference of the
communication to the next City Government

For the Committee
