To the Honorable, the City Council:

The attached appropriation transfer of \$1,500 is for travel and training in the Community Development Department. This transfer of funds will provide for general business travel associated with grant applications; a three-day training seminar for the new Section 312 Housing Administrator; and conference attendance for the block grant coordinators at the National Community Development Association in Washington, D. C. The funds are available for this transfer due to a manpower outage in the department.

Passage of this order is recommended.

Very truly yours,
