Dear City Councilors,

The May 19th Edition of the Tab
announced on page 8 a program ~~passed~~
to clear vacant lots in Cambridge passed
at the May 11th meeting.

I would like to call attention to
a lot between 143 and 149 Prospect
Street that is owned by the Duran's
of 147 Prospect St. That lot has
what amounts to a dump on the
property. The Duran's in fixing up
their house simply deposited all their
old beams and plaster material at the
foot of the lot next to the road.
Now others have been adding to

the debris. Recently an old T.V.
was left. The result has been a
very unsightly blight on what would
otherwise be a nice piece of land.
also, there is a dead tree on
the land that given sufficient wind,
endangers 143, 145 and 149 Prospect
Street,

I have spoken to the Diner's
about these issues with no
success. Any help you can give
in this matter would be most
appreciated.

Sincerely yours,

Hugh Warren
