David A. Wylie
City Councillor

ORDER

June 22, 1981

That the City Manager is requested to place Linnaean Street on the priority list for improved street lighting in accordance with the attached petition of residents of Linnaean Street.

We, the residents of the Linnaean Street neighborhood, Cambridge, Massachusetts, in view of increased crime and acts of violence along and close to Linnaean Street, are hereby petitioning for additional and improved street lighting. This need applies to the entire length of the street and has become all the more urgent because of the establishment of housing for the elderly on Linnaean Street. We trust that the City Council will be able to institute measures to correct the present situation as soon as possible to assure the safety of the local citizenry.
