From William Sommers, Commissioner, PWD

Reference

Subject Council Order No. 3, May 23, 1988, Councillor Walsh -
Re: Deteriorating Conditions of Sidewalks in Neighborhood Nine.

Of the streets indicated we intend to do work during this construction season as follows, depending on funds available:

- a. Linnaean Street - redo the concrete sidewalks by the school and the apartment building.
- b. Shepard Street - curbs and sidewalks from Walker to Garden.
- c. Washington Street - sidewalks from Linnaean to first intersection.

The other streets, like Upland Road, will require substantial reconstruction which we will consider for FY90 construction program.
