To The Honorable, The City Council:

In response to Awaiting Report Item No. 23, regarding a report on relocating the bus stops on Broadway, Traffic, Parking & Transportation Director Susan Clippinger reports the following:

Traffic, Parking & Transportation Department has reviewed the bus stops along Broadway. After discussions with the MBTA, residents and the School Department, the Department will be consolidating the two eastbound stops at Ellery Street and Ware Street to the existing no parking area in front of the Solomon Transportation Career Center opposite CRLS. This change will be effective on November 9, 1998.

There is no bus stop at Hancock Street. There is a stop at Lee Street which improves safety at the school crossing. The Department recognizes the need for turn over at the meters along Broadway for the businesses, School and City Hall Annex and will continue to enforce all the parking regulations in this area.

Very truly yours,

Robert W. Healy
City Manager
