Celebrating Thirty Years of Caring

Dear Colleague:

I am happy to share with you the news that The Board of Directors of the Massachusetts Alliance of Portuguese Speakers (MAPS) has appointed me Executive Director of the agency, following a four-month search process. The appointment was approved at the Board's monthly meeting August 23 in Cambridge, and became effective on August 24.

I am very proud to have been part of this organization's past and even more excited about its future. MAPS is an outstanding health and human service organization composed of an extremely professional and qualified staff offering a wide variety of services.

I was previously Deputy Executive Director of MAPS for nearly five years. I became Acting Executive Director on April 3, after former Executive Director Victor Do Couto left to become Executive Director of the Massachusetts Immigrant and Refugee Advocacy Coalition (MIRA). As you know, Victor had successfully led MAPS for more than eight years.

I am looking forward to expanding services and geographical locations in order to better meet the needs of Portuguese speakers in Massachusetts--including Brazilians, Cape Verdeans, Portuguese and others--while maintaining a financially sound organization. I am also excited to lead the organization as it embarks on a new five-year Strategic Plan, which will involve the staff, Board and community leaders in developing a work plan for the years 2001-2005.

I am dedicated to building new relationships, improving the ones we already have, and furthering our commitment to developing a shared vision for MAPS that is inclusive of all the populations we serve. I would like to thank you for your past support of this organization, and look forward to continuing to work with you in building healthy and productive communities. Please do not hesitate to contact me if I can be of any assistance.

Sincerely,

Paulo Pinto, MPA
Executive Director
