Mr. Timothy Toomey
State Representative
Statehouse Room #39
Boston, MA 02113

March 9, 2000

Dear Representative Toomey:

On behalf of the dedicated professionals at Mount Auburn Hospital, we request your presence at the ribbon cutting and reception for the new Emergency Room at Mount Auburn Hospital at 11:00 a.m. on Tuesday, March 28, 2000. We are anxious that your community be well represented since the relationship between a community hospital's Emergency Room and the communities it serves is an important one.

As you know, Mount Auburn Hospital has undergone a major renovation over the past few years. Therefore, the completion of the Hospital's Emergency Room, which is such an important department in the Hospital, is significant not only because the new Mount Auburn Hospital E.R. now offers state-of-the-art care and processing for our patients, but because this is the cornerstone of our Capital Improvement campaign. With the completion of the new Emergency Room, Mount Auburn Hospital can proudly announce that we offer among the best and most progressive medical care in New England.

For this reason and because we are so proud of our new facilities, we would greatly appreciate your presence as we officially "grand open" the new Emergency Room. Local and regional media are invited for a briefing right before the ribbon-cutting for photo opportunities. Once the media have departed, please join Hospital President Jeanette Clough and other dignitaries for a tour of some of the other new sections of Mount Auburn Hospital, followed by a reception.

As the marketing agency for Mount Auburn Hospital, we will follow-up with your staff to provide details of the morning's program and to find out if you can join us on March 28. We greatly appreciate your willingness to help us publicly unveil one of greater Boston's newest medical facilities.

Most sincerely,

Anne-Marie Aigner
