Walter W. Pike, Esq.,
 City Treasurer.

Dear Sir;

When I paid my assessment for putting the edge stone on my property on Lambert Ave., I asked the treasurer if he would kindly take the necessary steps to have two trees removed, that are now nearly in the centre of the side walk, and which in grading the side walk, they left the roots exposed for over a foot.

The trees will not grow in their present position and I was told by the men who put in the edge stone, that either you or Mr. Dallingier were the parties to apply to, to have them removed.

If you would kindly do what is necessary, it would greatly oblige,

Yours very truly,

Charles P. Cummings
