- WHEREAS: The City of Cambridge prides itself in its commitment to science and technology, and is an international leader in many fields of scientific progress; and
- WHEREAS: Massachusetts is home to many great astronauts that help inspire citizens of all ages to keep the vision of space exploration alive; and
- WHEREAS: The National Aeronautics and Space Administration (NASA) is celebrating 50 years of space exploration, discovery and research; and
- WHEREAS: NASA is now nearing the completion of the International Space Station and retiring the Space Shuttle Fleet, while looking forward to the next generation of spacecraft that will continue exploration; and
- WHEREAS: Massachusetts is a leader in this mission with extensive involvement from our academic community, commercial and private sectors, and educational industries; and
- WHEREAS: In honor of NASA's 50th anniversary, they are participating in a "Future Forum" hosted by the Museum of Science in Cambridge on Sept. 18, 2008; and
- WHEREAS: Future Forums bring together NASA leadership, astronauts, scientists, and engineers along with local business, technology and academic leaders and local, state and federal officials to discuss the role of space exploration in advancing science, engineering, technology, education and the economy that benefits our community and the nation. The program features an exciting preview of NASA's Constellation Program – America's return to the Moon and beyond; now therefore be it
- RESOLVED: That the members of the Cambridge City Council express their congratulations to NASA on their 50th anniversary; and therefore be it further
- RESOLVED: That the members of the Cambridge City Council encourage all residents of Cambridge to explore this exciting Future Forums opportunity; and therefore be it further

RESOLUTION #13

Congratulations to the National
Aeronautics and Space
Administration (NASA) on its 50th
anniversary
