

CITY OF CAMBRIDGE
INTEROFFICE CORRESPONDENCE

To : James L. Sullivan,
City Manager

Date : November 22, 1978

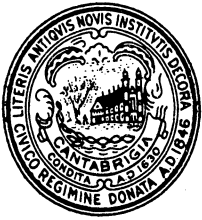

From : Donald P. Dressler, M.D., 
Acting Commissioner

Reference

Subject : Rodent Problem in area of new D.P.W. facility

The Health Department has been monitoring the area surrounding the construction site of the new Department of Public Works facility those streets include Hampshire, Elm, Norfolk and Tremont.

Various homes in that area have been baited by the Department of Public Works and a log of activity has been maintained by that Department. The Health Department is satisfied at this time, that any rodent problem is being properly controlled.
