RESOLUTION
sponsored by Vice Mayor Kathleen Leahy Born
and Mayor Sheila Doyle Russell

To urge all Democratic state legislators to support the Home Rule Petition passed by the Cambridge City Council to protect expiring use and HUD-assisted buildings.

We members of the Cambridge Democratic City Committee want to go on record that we strongly support the passage of the Cambridge home rule petition passed by the City Council on April 22, 1996, designed to continue the affordability of expiring use and HUD-assisted buildings.

We further want to urge Speaker of the House Finneran, Senate President Birmingham, and all other state legislators to promptly pass this important protection for Cambridge residents.

We recognize that at this time affordable housing is a crucial issue for Cambridge. Expiring use and HUD-regulated buildings, in particular, have been a valuable source of affordable housing. They are mixed income developments of primarily low and moderate income. Low and moderate income apartments go to means tested families, elderly and disabled who would not be able to live in Cambridge without this housing. We want to support them, our neighbors.

Cambridge is a very high-housing cost City which needs affordable housing. Cambridge needs this home rule petition. We urge the Legislature to pass it and the Governor to sign it.
