

10/16/87

Cambridge City Council
795 Massachusetts Ave.
Cambridge, MA 02139

Gentlemen:

This letter is in support of your recent ban of LD50 and Draize Tests in the city's commercial laboratories. I believe that both of the tests represented cruel and unusual punishment that beautiful animals have been subjected to and your move represents true leadership.

Thank you again.

Sincerely,

Deborah Addington
