

Cambridge, March 1869

To the Honorable, the City Council,
of the City of Cambridge.

The undersigned respectfully pray that

Garden street may be repaired from the Arsenal
northward, to Wyeth street. In consequence of
the constant passing of carts & wagons heavily loaded
with bricks &c., said street is exposed to be cut up into
deep ruts, which render the passage very difficult & often,
dangerous.

Your petitioners, therefore, respectfully
pray that a quantity of gravel may be provided, or such
other means adopted, as may appear best to your honorable
body, to effect the desired repairs.
