

To the Honorable the Board of Mayor and Aldermen of the City of Cambridge.

We, the undersigned, occupants or owners of estates on Brattle Street, whose names are subscribed to a petition now before your Honorable Board praying that edgestones may be laid on both sides of said street from Brattle Square to Elmwood Avenue, having since the filing of said petition considered the serious injury, and even destruction, likely to ensue therefrom to the venerable shadets bordering the northerly side of said street from Craigie Street to Elmwood Avenue, would respectfully request that this portion of said street may be excepted from said petition, or at least that nothing be done in the premises to the injury or disturbance of said shadets in any way.
