The Standing Committee on Roads & Bridges to whom was referred the petition of Mrs Warren Dustin, praying that she may be allowed, temporarily to replace her door steps on the sidewalk in Cambridge Street, from which they have been recently removed, by an Order from the Superintendent of Streets would respectfully

Report-

that inasmuch as others have been required to conform to the order for removal & no valid reason was offered your Committee, why the changes eventually necessary to gain access to her house, without encumbering the sidewalk, could not be made at once, your Committee recommend that the petitioner have leave to withdraw.
