Report

Geo. B. Dummells "to withdraw",
June 11, 1873,

Cambridge May 28th 1872

To the Honorable the Mayor and
Wheremen of the City of Cambridge

We the
undersigned citizens of Cambridge
respectfully represent that an incumbrance
on the sidewalk in front of our respective
premises has become an intolerable
nuisance, to wit an arch erected and man-
tained by George K and John B Warren
in front of Nos 561-563-+565 Main
Street at the North end of a crossing,
crossing Main Street said arch being
a favorite ^{place} for parties to assemble around
and under during the evening and so
interfere and hinder the passers by to
the great annoyance of all good and
order loving citizens, also by shading
~~our~~ respective signs so that they can
not be seen by the passers by in the street
and thus interfere and hinder us
in following our respective callings

Wherefore we pray your Honorable
body may take such measures as
you deem meet to have said in-
cumbrance removed and as in duty
bound we will ever pray

Signed W. H. Martin G. E. W. Fuller
