

Councilman Alfred E. Vellucci
March 27, 1972

Whereas;

It has been reported in the local press that the Mass Legislature has changed the law with reference to the fluoridation of the water supply in Massachusetts, and

Whereas;

It has also been reported that the Metropolitan District Commission may in the near future fluoridate all water reservoirs under the jurisdiction of the MDC and

Whereas.

The City of Cambridge Water Department is "piped in" to the MDC water supply which means that during water emergencies the Cambridge population could be using fluoridated water, and

Whereas;

It has been many years since the voters of Cambridge by referendum saw fit to discontinue fluoride in its water supply

Be it resolved

That the Commissioner of Public Health be requested (through city manager) to advise this city council as to his intentions, if any, to fluoridate the Cambridge water supply

~~6.8.18~~
A

City of Cambridge

In City Council,

March 29, 1972.

WHEREAS:-

It has been reported in the local press that the Massachusetts Legislature has changed the law with reference to the fluoridation of the water supply in Massachusetts, and

WHEREAS:-

It has also been reported that the Metropolitan District Commission may in the near future fluoridate all water reservoirs under the jurisdiction of the Metropolitan District Commission, and

WHEREAS:-

The City of Cambridge Water Department is "piped in" to the Metropolitan District Commission water supply which means that during water emergencies the Cambridge population could be using fluoridated water, and

WHEREAS:-

It has been many years since the voters of Cambridge by referendum saw fit to discontinue fluoride in its water supply, be it

RESOLVED:-

That the Commissioner of Public Health be requested, through the City Manager to advise this City Council as to his intentions, if any, to fluoridate the Cambridge Water supply.

City Council March 29, 1972

Adopted by the affirmative vote

of 6 members

Paul E. Gealey

City Clerk
