City Council
Cambridge, Ma.

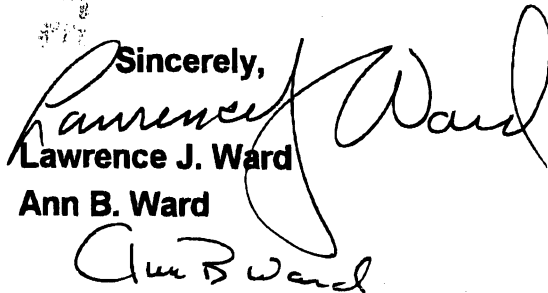

To the Mayor and City Council;

Due to previous commitments, we are not able to attend the hearing and meeting scheduled for the evening of August 4th.

We are very much in favor of the decisions made by the Cambridge Street Advisory Board and hope that you will agree to the implementation of the plans when the time comes.

Ann and I certainly enjoy the beauty bestowed upon the East Cambridge Area and trust that Cambridge Street and environs will deserve the same consideration and beauty as many of the other areas of the City of Cambridge.

Sincerely,

Lawrence J. Ward
Ann B. Ward
