To the Honorable, the City Council:

In response to Awaiting Reports No. 3 and No. 24, the Police Department reports that traffic regulations along River Street, Western Avenue, and Prospect Street are being strictly enforced. During 1987, 261 citations were issued for moving violations along these streets. In addition, officers have been instructed to enforce the partial exclusion of trucks. All traffic signs have also been properly posted in this area.

Very truly yours,
