To The Honorable, The City Council:

Attached is an order requesting the appropriation of \$3,400.00 in the Grant Fund from private donations to the Mayor's Department Other Ordinary Maintenance Account. On October 6, 1991, the Mayor's Office sponsored a storm drain stenciling project. The project was done in order to educate and remind people of the importance of protecting the Charles River, Alewife Brook, the Boston Harbor and our water supply and that nothing but rainwater should enter our storm drains. City funds were used to purchase stencils and other supplies and these donations will be used to reimburse the City's General Fund Account.

Very truly yours,
