To the Honorable, the City Council:

Attached please find for your review and action a transfer from the Election Commission Salary and Wage account to the department's Other Ordinary Maintenance account in the amount of \$1,250 to meet telephone costs incurred in the recent General Election.

These telephone costs can be attributed to the following:

1. Increased telephone rates, and
2. Additional phone installations due to four polling place location changes.

Passage of this order is recommended.

Very truly yours,

Robert W. Healy
