The Honorable Members of the City Council
City Hall

Dear Councillor:-

After a conference with the City Solicitor and the Assistant City Manager for Community Development it was agreed that action must be taken by the City Council according to the schedule outlined below in order to meet the stringent requirements of Chapter 808 of the Acts of 1975.

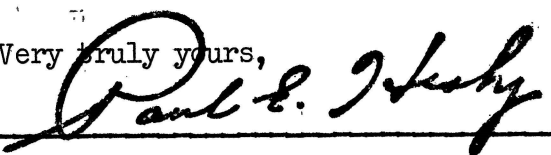

The hearing schedule as outlined below will enable the City Council to act promptly on the pending petitions and eliminate the necessity of rehearings in the future.

It is essential that on Monday, January 23, 1978 that the City Clerk be authorized by the City Council to promulgate the hearing schedule and make the required publications in the Chronicle.

Your cooperation in this matter will be greatly appreciated by all concerned.
