To The Honorable, The City Council:

In response to Awaiting Report Item No. 3, requesting an investigation of trucks parking in the MBTA turnaround on Rindge Avenue, please be advised of the following:

For the period of February 7th through the 13th, the appropriate sector supervisor on the last-half shift was directed to survey and list trucks parked in the turnaround. During this period, a single truck was found on only one night. The truck was registered to Smith Brother Trucking on Clifton Street. The owner and drivers were contacted and advised that they should no longer be parking in the turnaround.

Very truly yours,

Robert W. Healy
City Manager
