Petition

of E. M. Appleton,
crossing - clean St.

Oct. 13. 1869.

To the Aldermen of the
City of Cambridge.

Gentlemen,

My petition
is to have the crossing in front
of my estate, raised for the pre-
sent, equal to the gradient of
the street, at 476 Main Street.

I think it is now
in a dangerous condition to
Carriages and very inconvenient.

Very respectfully,
Yours,

E. M. Appleton.

Main Street 476,
