Deputy City Clerk
Cambridge City Hall
Cambridge, MA 02139

Dear Deputy Flynn:

I am writing to thank you for all your efforts in our struggle with the Massachusetts Institute of Technology. My personal thanks for your support of the recently passed City Council resolution on our behalf. Your concern and influence of office has forced M.I.T. to reconsider its policy when determining contract awards for construction on its campus. Due to your help M.I.T. has committed to consider contractors conforming to area standards, employing area residents, women and minorities and those who participate in an apprentice program, training the young people of the Cambridge area.

On behalf of all working men and women, we applaud your courage to stand up and be counted as an advocate of justice for the working class. You have proved to us that the elected representatives of the Cambridge Community will not stand for anything less than the fair and equal treatment of their constituents.

Sincerely,

Joseph "Duke" Carter
Business Representative
